They have a variety of breakfast items.

Sandwiches will include ham, turkey, bologna, hamburgers, cheeseburgers, subs and hot dogs. They have fountain drinks, salads, French fries & onion rings, crispy chicken and hot ham & cheese.

They will be adding pizza to the menu

We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace.

What: CCI will be having a basic computer class for beginner and 'sometimes' users.

When and Where: Thursday February 22, 2018 at 6:00pm at the Clearfork Community Institute.

Why: The world is changing fast. Maybe you want to learn how to use a computer to keep up with technology or maybe you have to learn how to use one for one reason or another. Whatever the reason now's the time to do it.

Who: Anyone that wants to learn for the first time or just wanting to sharpen your skills are welcome to join us.

Here's a few important notes:

There is a cover charge of \$2, **if you can't pay you will not be turned down.**

Bring your own laptop if you have one.

If you don't have a laptop CCI has a couple we can use for the class only.

If you can't get one; don't worry there will be more opportunities to take the class. I will make it as fair as possible and make sure everyone that attends will be able to participate.

For more information please contact Marie Webster at (423)784-0095 or DJ Coker at (423)494-5361.

**** This is a "BYOC" (Bring Your Own Computer). CCI will have a few laptop computers available but it's a 'first come first serve basis'. ****

CCI is looking for a couple of volunteer youth workers. All you High Schoolers who need some community service hours, let us be your site. We are looking for: Interested in gardening, Archiving, videoing or just a young person who has good ideas on what the local young people want or need and is willing to help work to put it in place. Give us a call, we will be waiting to hear from you.
